1 Upload Workflow

2 Graduate Thesis Submission for Graduation Clearance

2.1 According to Article 12 of Yuan Ze University's "Graduate Degree Examination Regulations":
Graduates who pass their degree examination must submit the required number of printed thesis copies, along with an identical full-text electronic file for university archiving purposes.

2.2 Graduates must log into the "Yuan Ze University Thesis Submission System"
(Website: https://cloud.ncl.edu.tw/yzu/),
enter basic thesis information, upload the full-text electronic file, and upload the authorization form signed by both the student and advisor.
Once approved, the student can submit the required number of printed thesis copies.

2.3 Graduates must agree to grant Yuan Ze University a free license to reproduce their full-text thesis (e.g., via microfilm, digitization, or other methods) for archival purposes.

The process may vary slightly depending on departmental procedures.
